

New Preschool Administrator Network – Year 1

This multi-session, two year cohort training is designed specifically for new or recently assigned preschool administrators, or administrators wishing to revisit foundational aspects of preschool administration.

Participants will dive into the foundational framework of preschool administration to include both early learning and special education – federal, state, funding, and quality requirements. Using foundational frameworks of licensing, SUTQ, IDEA to guide understanding of district and school-wide policies, procedures and practices. Participants will gain foundational knowledge, which can contribute to the disposition and skills necessary to build preschool instructional leaders, leading to improved outcomes for all students and family, community partners.
